

## Carol Ann Plasters Henderson

January 6, 1945 - December 27, 2015

Carol Ann Plasters-Henderson of Exeter, born January 6th, 1945, is survived by her daughter Pam Swanson Tamouzian, son-in-law Mike Tamouzian and grandchildren Allie and Clayton Tamouzian, all of Exeter. Also by her siblings, sister DeEtta Barton and husband Bill, brother Paul Plasters and wife Marsha, twin sister Carla Ballew, all of Illinois, and twins Jack Plasters and wife Sue of Illinois and Jill Patton of Oregon. Carol passed away on December 27th, as she wished- in her own home surrounded by her loved ones and her beloved dogs, Taz, Paris and Terri. After leaving the hospital, her daughter and granddaughter, with the care of hospice, spent a total of 10 days by her side, keeping her comfortable. Carol eventually left this world with her daughter holding her left hand and her granddaughter holding her right, still surrounded by her loving dogs. As she began to slip away Pam and Allie flooded her with love, support, and reassurance that she could now rest, free of pain and suffering she had endured over the last several months. Loved dearly by family, friends and neighbors, she will be deeply missed forever. A celebration of life will be held on Saturday, January 9, 2016 at 11:00 a.m. at Salser and Dillard Funeral Chapel. Burial will be private. A memorial tribute may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com)

“ I and my family love and appreciate the stories and love I feel reading them. I do not know what I will do without her. She was my other half. I felt we raised each other. The days are getting harder it seems. I'm a bit lost and it hurts so bad. I pray it gets a little better soon. All my love to all, Pam Swanson Tamouzian

“ My Beautiful Sister Carol. I loved you so much. The Bible says The greatest of all is a servant. You were a servant. Your most happy times was helping or giving. When we went shopping I could never say" that`s pretty or I like that" because I would soon have it. And I always knew you were doing without for your own needs. I LOVE YOU AND MISS YOU UNTIL I SEE YOU AGAIN. DE ETTA & BILL

“ *I remember Mom coming home from the hospital with 2 tiny little girls. I was only 7 years old at the time, The girls were fun watching them grow up. Both of them were very special, in their own ways. Carol loved to do unexpected things for family and friends. She was always so tender hearted, and loving. Carol always wanted to make people feel good, and she worked at it full time. Carol also had a love for animals, and especially for dogs. She would take any stray in, and care for them feed them and play with them, and pay for veterenarian services if they needed it. I think how much better this world would be if we had hundreds of people like Carol was. Sister I am going to miss you so much.*
