“ As a child, I remember Aunt Carol being full of laughter, always smiling. The house was full of silliness when the three sisters got together. That seems so long ago. The house was always full of cousins, decades ago. I am sorry to have lost touch with Rhonda, Derek, Brian, and Pam. I love you all and ask the Lord Jesus Christ fill you with comfort and peace. Peace that Jesus said only He can give. I pray each of you are walking in the faith we learned as children from our Gramma Jewel. Acts 4:12. If you would like to get in touch with me, just email.
