“ *Grandma, I miss visiting you with mom every year and spending time crocheting, watching our favorite movies, or when you would invite me to sew with you. I used to complain about Visalia being boring but I'd do anything to have those moments again. I love you...Rest In Peace.*

“ *Qhen She would walk me to School as a kid in elementary school she would always shout, "Grandma Loves you!" As a kid I use to hate it.lol The other kids would make fun of me. But Id give anything to hear her say it one last time. I love you Grandma! You were the most faithful God loving Person I know and I will honor your last wishes for me.*
