“ As we move through life we encounter people who touch us with their hands, those who touch us with their minds, and if we are extremely fortunate, we will encounter special individuals, like Catarina, who touch us with their hearts and shower us with their smiles. When I think of Cata, I remember her extreme generosity of good will to everyone she encountered. To her children and grandchildren she was a nurturing and loving caregiver. Her service to them as a mother and grandmother knew no bounds. I am extremely proud and grateful that my daughter and son had her as a grandmother. Had her, not only as an example of a loving and caring parent; but as an example of a human being who demonstrated humanity to all on a daily basis. It is because of her example that we should all strive to be better human beings. We should do this in memory of her.

May she rest in the peace she so richly deserves.

“ Love her smiles. Her joy of family. A very strong woman that made me proud to have her as my Tia.
My dad's eldest sister whom he loved and respected. What a family reunion that is going on right now in heaven.
Love you Tia Cata, till we meet again!
