“ I met Cathy at a Catholic Daughters function. She had the most infectious smile and robust laughter. She was always so happy and friendly. She became a dear friend to me and I will miss her sweetness and quick wit. Love you Cathy. May you Rest In Peace, Amanda.

I met Cathy Almost 60 years ago before her brother and I were married. She was one of the few people I've ever met that always thought the glass was half full never half empty. She had a beautiful personality and brightened up every where she went. I'm glad she's finally at peace and I am so glad to have had her as my friend.

I met Cathy thru other friends of ours about 8 years ago. She was one of the most positive people I have ever met. She had the most beautiful smile and just lit up the room. I fell in love with her immediately. Such a gracious lady. I called her an Angel on earth, such a precious soul. I will miss her and I wont say good bye just so long for now sweet lady, till we meet again. Sending butterfly kisses and love. ❤️

I believe Catherine was the dear friend & housemate of our Aunt Carolyn Mooney, who died in 2006. We stayed in their Visalia home many times on our trips from Portland to Cypress & they visited us & our boys when they drove their RV up here for the cooler Oregon summer. I sent Catherine xmas cards for years & then they started coming back. I was sad to lose touch with her, she was cheerful & sweet, another Great-Aunt to our boys when they were little. I hope she & Carolyn find each other up in the clouds. ~ Christine Mooney
