“ I served as Cathy's Regional Center Counselor for 9 years. It was hard to say good-bye in 2015 when I changed offices after all the important moments Cathy and I shared in her life. I have many memories of our time working together. Cathy taught me so much and I treasure those lessons. We shared a deep affection for the movie Grease and great oldies music. I'm sure she will be enjoying the party in heaven until the rest of us arrive.

Love, Dawn

“ Our heartfelt condolences to the Taylor family. Cathy attended Kings Rehabilitation Center for many years. She was a part of our Hanford and Tulare campus. She was a joy to have. We were very fortunate to have her in our lives. Her smile and funny personality will be greatly missed.

From all of us at Kings Rehabilitation Center.
