

## Charles Eldon Lewis, Jr

June 30, 1962 - April 27, 2021

Chucky, in his mind, was a man of many trades. He was the President, a Patrol Officer and an Army General. He also had many Wives and was a Multi-Millionaire in the Porn Industry. In all the years of Schizophrenia, his confidence never left him and he always thought so highly of himself. He sure knew how to keep us laughing.....

His pain and mental suffering is now at rest and he has met his maker and has been reunited with his mom and pops. Chucky lived most of his life in Farmersville. He served in the Army, he was a Sniper in the LA riots and held that with him always. He had many other things we remember him by. Also, this dude made the Best Kool Aid, it was so sweet and good....

I remember one time, he set a can of food unopened to cook on the stove and it exploded from the heat, it sounded like a bomb went off and he just laughed...

At one point in his life, he owned an owl and his favorite cat Kiki Meow....

Chucky never found love again after losing the love of his life Missy Kay Jennings "His Melissa Kay", he loved her till the day he passed...

He would always keep toys in his room for his beautiful daughter Lindsey Kay and also kept a table with a picture of his son Jeramy right by his bed....

He was troubled but boy was he funny!

He is preceded in death by his mother Sarah Josephine Morgan and by his father "Pops" Charles Eldon Lewis.... he is survived by his sisters Cindy Dupuis, Sarita Lewis and Rhonda Price and his brother Walter Lewis. His

daughter Lindsey and son Jeramy, nieces Candy Nilo, Lanae Baldivia, Christa Sanchez and Nicole Martinez, nephews Anders Frey, Steven Dupuis and many others. Our family will miss Chuck dearly but am happy to say his mind and mental suffering is finally at peace.
