“ *You were a beautiful person inside and out cousin Bobby. I will remember us all going to grandma Concha's eating tamales and celebrating her tribute to baby Jesus.*

*Your Grandpa Chevo, Great Uncles, Julian, Catarino and my mom, Rachel, your great Aunt, would have all their children and grandchildren present to spend quality family time together.*

*This tradition unfortunately was not carried on by any family members. I will miss your sweet gestures and comments in social media world. You are in a better place now and the Lord awaits you with open arms.*

*Until we meet again,  
love you cousin,
