“ Chris, you will forever be missed. I never forget the day you come and told me in April 2012 that you can never see me again because you were with someone else. I'm so happy that you met Rhonda. She truly loved you and made you happy And I think you made her happy as well. My thoughts and prayers go out to her and the rest of your family you are forever loved and missed by many people, Chris.

“ I always looked forward to seeing Chris & Brian out and about. He was so excited about joining the pool league team this coming season. He had the best sense of humor. He always had the biggest smile on his face. He loved his wife and kids. He loved his 5D family and He loved his brother and was so proud of him. My heart sincerely goes out to you all. You have and will continue to be in my prayers. Love one another and be kind to each other. God bless.
