March 3, 1998 - July 10, 2024

Honoring the Life of Christopher Joshua Penado:

Christopher Joshua Penado, affectionately known as "Chris"

Chris loved his family and would make a point to tell them that he loved and appreciated them as often as possible, sometimes with a text but most frequently with a hug or a kiss on the forehead.

Chris had a great ability to make others smile or laugh and his sense of humor will be missed.

As Chris prioritized finding joy in life and sharing it with others, the family asks that you do the same - go out and do something that brings you real joy and share it with those around you. If you feel moved, reach out and tell us about it or another joyful time you've shared with Chris.

Grief we're learning, is really just love.

It's all the love you want to give but cannot. All that unspent love gathers in the corners of your eyes, the lump in your throat, and in that hollow part of your chest. Grief is just love with no place to go.

Grief is the last act of love we have to give to those we loved and where there is deep grief, there was great love.

Overall, this obituary celebrates Chris's life, offering a touching tribute that

honors his memory and legacy.

His final resting spot will be in Visalia, CA, but he will remain in our hearts forever.

We will cherish the memories.

We will hold on to your strength.

Rest in peace our angel

The fight is over now.

Your battle has been won.

We will love you forever.

Till we meet again....
