“ *Ron and I (Judy Reed) ran into Jerry and Linda King today. We had only seen the small death announcement. Nothing more. All 4 of us would have attended the memorial kit if we had been aware. We would have wanted to be there for you Kae. We enjoyed our time with Kit, Jerry and Denise. And when Denise passed we were glad to welcome Linda to our circle. I know you have my phone number. If not it is in the book. Our condolences go out to your family. Love, Ron and Judy*
