

Clara Jimenez-Chavez

February 1, 1943 - November 20, 2020

Clara Jimenez-Chavez 77 was received to her eternal home with Jesus on the evening of Friday the 20th of November, 2020. Clara was gifted into this world on February 1, 1943 in Phoenix Arizona. She was raised by her grandfather, Rosendo Jimenez and had 3 sisters and 1 brother.

Clara met Jesus Chavez in 1963 and they have been inseparable for the last 57 years. Together they built their big beautiful family which consists of their children, Pam (Mike), Connie, Jessica (Vincent), Pearl (Aaron), Norma, Diana, Jesse, and Sandra, along with 16 grandchildren and 11 great grandchildren.

Clara devoted her life to God and to her family. She was the glue that held us all together. She was incredibly strong, courageous and selfless-she never put herself first. When trials would arise in her life or the lives of her family, we would always hear her say, "God will make a way." She believed that because she lived that way and knew, the Lord was always by her side. Clara loved her family with a limitless unconditional love. Her home was never empty; it flowed with her "treasures", and she was constantly surrounded by love.

She loved her roses and in many ways she was like the biggest most beautiful rose you ever saw. Her sweet fragrance filled the room and lingered there. The smile on her face bloomed big and bright and brought a smile to your own. Her rose bushes grew over 5 feet tall and were filled with multiple blooms so resembling the family she tirelessly tended to, feeding life, watering with love and helping each of us to grow into the beautiful roses she loved to surround herself with.

“ *More than our person, More than our mom, more than our grandma. She was a beam of sunlight after a rainy day. The breath of the ocean air as waves crash at your feet. Her laughter the feeling of love at first sight. She always called us her treasures but, she was the greatest gift in every life she touched. Her love and light exceeded the hardships of everyday life. She was everyone's peace. This is the legacy she wants us to bestow in our daily lives. Not just with our family but, every connection we hold.*
