“ *We were friends when teenagers I remember her inviting our dates to her house for Chile dogs and her dad was always so nice, He would get out of bed and come out to talk with us. When her and Freddy were married I kinda moved on and we fill out of touch for years when we left Calif. About 12 years ago I went by Barbara's home where she was living to say goodbye. Little did I know I would never see her again. I'll always have love and good memories of her and her family.*
