“ *7 months 31 weeks 213 days 5,118 hours 307,101 minutes 18.426,543 seconds Have been the most painful thing I have been through losing my Nana. Still can't believe your gone. We all miss you so much. Words seriously can't express how loved you were and still are. Seems like every time I am in Goshen so many memories flood through my mind. Every single time i go to your house and I walk in expecting to see your face but then it hits like dang my Nana really is up in heaven...But your forever in my heart and mind<3*

“ So glad I got to see you only a year ago and so happy to have seen the same smiling face I saw when I first met you...Such a loving, giving and very kind person you were...I always admired your strength and patience...You always had a smile regardless of the situation...Claudina you were brave with a beautiful heart, you leave behind distinctive footprints full of love and compassion. You touched so many lives and care for every child you taught...Hug Teacher Loraine for me and don't be too quick to start setting up a little preschool in heaven... I will miss you my dear friend, you will be a part of my heart always! God bless your family during this difficult time!
