“ When we were kids noboby could make bologna sandwiches like Coleta. She was always there for us kids and there is always a special place in my heart for my sister. You always took care of us even as we grew older and had our children grew, you were there for us. I will always love my little antique sister. Love sister Hazel

“ Dear Aunt Coleta, I can only imagine how your first day to meet the Lord must have been like. I have watched you all of my life be such a strong believer and a woman of faith. I know that the Lord called you home to be with Him. Your children, grandchildren, sisters, brothers, nieces and nephews are at a loss. There will be a huge void in our lives without you in it, but there is some comfort in knowing that you will be there to meet us when our time comes. Today your family and friends will say one last farewell before you are laid to rest on Monday. I just want you to know that I have always admired your strength and courage. You have always been a leader to our family and saying, "so long for now," is not easy. I love you and will miss you deeply, until we meet again, "so long Aunt Coleta." Thank you for your years of dedication and sacrifice for your family!
