“ I was so sorry to hear of the passing of Connie Lujan. I knew her back in the early 80's when I dated her amazing son, Gabriel Lujan. She was always one of the sweetest people I had ever met. She always made me feel at home. She has a wonderful family with her 2 sons and 2 daughters (and grandchildren) and I am sure they will miss her dearly. I have not seen, nor spoken with the family in over 35 years, but I still wanted to let them know that they are all in my prayers. I have lost many family members in the last few years, so I know the pain that they must be in. May God Bless you and watch over you during this difficult time. I had hoped to come to her memorial service, but was not able to.

God Bless, Kelly Carmon (now Kayce Senseney).
