

Daisy Monique Galicia Marquez

November 4, 1993 - November 4, 2022

Our earth angel, Daisy Galicia Marquez was called home on her 29th birthday, Friday November 4, 2022.

Daisy was born on November 4, 1993 in Visalia, CA to Chuck and Vicky Galicia. Though her time spent with us was far too short, her impact on the lives of those she loved and the light that she left in the world will illuminate forevermore in her beautiful afterglow. Daisy lived a beautiful and full life. She spent her days laughing and smiling, she lit up any room she was in. Daisy lived a life full of joy, happiness, purpose, drive, excitement, wonder and love. Daisy, had a bubbly personality and loved to connect with people, she had a heart to serve and give, which led her into her career as a real estate professional for over 5+ years. Daisy became a licensed real estate agent June of 2021, which was a huge goal of hers.

Daisy had the most beautiful, special, precious, rare love that people dream of and many do not get in this lifetime with her soul mate, Anjel Marquez. Daisy and Anjel began their forever on May 7, 2015, Anjel proposed to Daisy while they were vacationing in Mexico in February of 2020, they had a civil wedding on September 12, 2020. they recently had their dream destination wedding in Mexico, earlier this year, on their dating anniversary, May 7, 2022 and were surrounded by their family and friends. Together Daisy and Anjel have two fur babies, a bull terrier named Chappie and a yorkie, named Yolandi (both

named after their favorite movie Chappie).

Daisy enjoyed traveling with her husband and family, whether it be in state or internationally and loved going on adventures big or small, she loved to experience all of life's wonder and beauty and did so with a happy heart and excited spirit.

A few of Daisy's favorites include, tacos, Hot Cheetos, Pepsi (canned only), all things pink, Daisy flowers (of course), all living creatures but especially goats, Bad Bunny, and her most recent and new found obsession; PLANTS! Daisy, was a plant mom to nearly 45 plants.

Daisy is survived by her loving husband, Anjel Marquez, her parents, Chuck and Vicky Galicia, her sisters Misty and Annika Galicia, many, many aunts, uncles, cousins, friends, and the community she was a part of. She was preceded in death by her maternal grandfather Ramon Arreguin Madrigal, her maternal uncle, Ramon Arreguin Jiron, her paternal grandparents Florentino and Consuelo Galicia.

Daisy was a bright beautiful light in a dim world and greatly loved by all who knew her. Daisy radiated light and all things good, her light beamed in all she was, all that she did, and poured into all who she loved, and those she touched with her beautiful smile and spirit.

Her light and beautiful memory will live on in the heart and minds of everyone she loved and all who loved her, as well as those she reached but never met with her beautiful smile and spirit. May her gentle and beautiful soul and the memories she leaves behind bring you an ever glow.
