“ Danny visited my loving wife Phyllis and me just two days before his demise. a death that came far too soon. Besides being a good friend he was an accomplished workman that maintained our daughter's three rental properties and built our beautiful Guest House. Today, the 28th we were trying to reach our friend to give him a job. Can you imagine our sadness when we found out he was gone?

To his family and loved ones we offer our condolences and hopes that our friend will live happily with our Lord and in our hearts and memories forever. donald_maloof@yahoo.com

“ I am a friend of his daughter Cindy. He was always a hard worker I remember in highschool I would see he driving around with his green step side truck with the ladder in the back heading to work. Or after school cruising in his red convertible with Cindy's mom. He always took care of his family. I am so sorry Cindy and Gomez family for your loss. May God help comfort you.
Love, Angel

“ Seems like we just talked to Daniel yesterday. He said he still thought about Jehovah. We shared this scripture with him. He seemed to light up.

"...and Jehovah kept paying attention and listening. And a book of remembrance was written before him for those fearing Jehovah and for those meditating on his name." Mal 3:16

Every time Daniel thought about God, Jehovah was aware.

We never know what a person is going through within. The battles they're fighting. But we do know that Jehovah is just a prayer away.

Very sorry sis. We're all in this together.
