“ Hi Grandpa, I miss you so much. Every day I wish I could go back and reverse time just to really appreciate every moment I got with you. You were the best grandfather anyone could ask for. I wish I could hear you say “there’s my favorite granddaughter” just so I can tell you “I’m your ONLY granddaughter” one last time. There’s a lot of one last times I wish I could’ve gotten. But I know that you’re so much happier than we are down here. Christmas wasn’t the same without you. Nothing is the same without you. I love you. 💕💕

“ Dad I sit here crying this morning because I miss you so much, I miss talking to you everyday and praying with you. You are the best father that anyone could ask for. You taught me so much about life, I only hope that I can do the same for my kids. Christmas just didn’t seem the same without you. I’m sad you are gone, yet happy you are no longer struggling here on earth. You kept going on in life because we needed you here and I know in my heart you didn’t give up when lots of others would have. You were a blessing to so many people and will be missed by all. I Love You Dad!!!

“ *My Father in Law was truly a blessing and a gift from the Lord to me and my children. He was the best Grandpa I could ever ask or pray for, for my two children. He NEVER made me feel anything but loved and accepted as a true daughter. Thank you Dad for giving me, Shaina, and Jacob so much of your time and love. I love you so much and I look forward to seeing you in Eternity with Jesus!*
