“ My sweet precious Darlene,

It has been a privilege to have been by your side for all the wonderful blessings we have shared since our heavenly Father put our lives together. To serve alongside you, to help where I could was so much more than an honor. Thank you for showing me by example how to better serve and to follow Christ. Thank you for teaching me so much about life and how to be part of a loving family. Your love as shown in the service for others in meeting their needs, your unselfishness, your strength of character, your honesty and your willingness to take a stand for the right, all these testify to the power of God. You have made me a much better man and follower of Christ. You will be dearly missed. I take comfort knowing your next waking moment will be when our Saviour returns at the second coming to give you eternal life, calling you from the grave saying; Well done my good and faithful servant, enter into the joy of the Lord. Until then my darling, rest in peace.
