“ I had the pleasure of meeting Mr. and Mrs. Cheek when I worked with their daughter Missy. They always had a smile and cheerful personalities. My heartfelt condolences go out to the family. They were loved and now heaven has two more beautiful angels.

*I was so terribly saddened to hear the news of Darrell and Sue's passing . I have known the Cheek family since I was 12-13 yrs. old when my mother, Blanche, married Darrell's older brother, Wilburn (Bill) Cheek, which made us part of the Cheek family then. I remember the vacations we took to visit when I was a young kid, a teen and young adult. It was always a fun time to visit the Cheek's. Never have I known a family that was so full of love, caring, kindness and laughter than the Cheek family.*

*Although I am more familiar with the senior Cheeks, (my age being in between Darrell and Bobby). I'm certain the younger, newest members of this family are, no doubt, as loving as the seniors! I did have the pleasure of meeting Sue at least once when my sister Becky's son, Scott Annis got married. A sweet delightful lady...*

*My prayer is for God to place the immediate and extended family under His umbrella of love, mercy, peace and strength as you all go through your time of sorrow. May each of you hold near and dear all the fond memories in your hearts to hang onto, and into eternity!*

*May Darrell and Sue walk together in heaven, and give your hearts comfort knowing they are with other family members that have gone on before them.*

*Posted Sincerely in Love,*
