“ *Dear Pat,
My heart goes out to you today and I will keep you in my thoughts and prayers. It's so hard to imagine that Dave is gone...he seemed so happy and healthy and said that retirement was great last time I saw him. That was just a few days before when he stopped by the Water Company to bring us lemons. I am home today with the flu so don't plan to attend the service and memorial tomorrow but please know that I am there in spirit.*

*Sincerely
Colette Mathewson*
