“ My Matta thank you for always being around me no matter what! You were the love of my life only you and I knew our love for each other 45 years Matta and you we're always so respectful no matter what my father and brother Manuel cared for you so much I miss you so much you'll forever be in my heart and in my prayers Matta I just want to let you know life brings many changes, Gods love for us remains constant He's always there, guiding us through decisions and helping us to do the hard things...always restoring in us a sense of hope and peace, no matter what we're facing. And the most beautiful thing about God is that the more we need Him, the closer He is... that's how I know He is especially close to you now no more pain Matta'rip

“ *Dad, your favorite story to always tell me was how you would get me ready every morning for mom when I was a baby. You said you would take me a bath, comb my hair, get me dressed, and put lotion on me so I smelled good. Thank you for doing what you could for me. I know you are safe now. Love you*

“ One of my best memories of you uncle David is when we would be packing incense and watching a scary movie and Irma would scare you, Man did u get scared and you would make all us kids laugh. It was so funny. I had the best times when I went to the Matty house. Thank you David for always.... always making me feel welcomed and giving me some of my best childhood memories when I was at your house. I can still picture your face when she would scare you and it brings a smile to me. RIP
