“ I'm sorry I never had the honor to meet David in person, but I know he was deeply loved by my sister, Rusty, and her children and grandchildren. I wish I could be with Family today, but I am ,unfortunately, too far away in Montana. Please know that I am there in Spirit, to offer my love and comfort. We are never promised tomorrow, so live, love, and laugh, Today-share good memories, the joys, the love. God has another Angel Hero with Him.

*In time of your sorrow.
Lord, give me a Thankful Heart today and in the future as I have felt so guilty, like a failure, I struggle with anger and I feel so alone-----Rusty, God is with you, your family and friends are with you. It is a struggle; but you are a strong person. Pray to God each day for courage, strength and wisdom as I do daily. Keep and beautify your good thoughts. It does not get easier Rusty, but eventually it does get alittle better. Mogey will always be in your heart and thoughts. Use it as a Guiding Angel.
Love and be loved. God be with you always.*
