David was someone that I always looked up to and respected. I feel terrible that I am not there to pay respects to his family that always made me feel like family

“ I love you dad. No more pain and suffering right. How happy you must be. How happy i am for you. How jealous i am!! How i wait for the day to be in HIS mansion HE has prepared just for me. My permanent everlasting home. How i wait to have eyes worthy as yours to see HIM in my sight. I am but a visitor here sent by GOD. Until HE needs me there, ill be here. Bye dad :(

“ *David will be missed by all the lives he has touched. I had the privilege of playing his 60th birthday party @ Steckel Park in Santa Paula. As usual, his graciousness and generosity was on full display, a personal touch of his, the giver, rarely the taker. I am deeply saddened by your passing, tocayo, but find solace that you are in good hands, may you rest comfortably in peace-until we meet again.*
