“ *It's been awhile since I found out Dawn passed. She lived next door to me for years. I met her after my husband and I moved in. Justin was about 2. He would sneak out the front door, cross the yard, stand and knock ever so lightly saying: "Knock, knock Jo." He was after cinnamon toast early in the morning ☐ We became fast friends and I taught her how to drive my 1956 Vdub bug. Her laugh was the best. It was infectious! She could make anyone smile. We both had our demons but we held each other up and kept on. I met Gordon (her husband) and never saw two people more in love with each other. Kristen was born and they had a family to raise. Dawn was a kind and gentle soul who always lifted you up. We moved to the high desert and lost touch. She found out I was pregnant and hosted a baby shower for my boy even after we hadn't spoken in a few years. Her mom (Diane) and sister (Danette) were the most gracious family I have had the pleasure of knowing. I was crushed to hear of her passing and hope Dawn, her mom and dad, and my boy are now free of pain in the kingdom of heaven. Dawn is sorely missed. Rest on peace my friend. -Jo Ann (Moore) Coleman*

“ For the Morton, Castro and Sebree Families,
I am so sorry for your loss. I will miss Dawn dearly. She was always
the kindest sweetest person to everyone. I grew up with Dawn and
Dennette when they moved here from Redwood City way back
when we were in elementary school at Mt. View. I have so many
great memories as kids growing up and as adults with our own
families. She and Dennette were about as close as two sisters could
be. She loved Her 2 children with all her heart and was a very proud
Grandma. Dawn will be missed by so many people that loved her.
My thoughts and prayers are with all of you.
God Bless.
