October 2, 1961 - September 9, 2020

IN LOVING MEMORY  
DEBBIE LYNN RAMOS

Debbie "Deb" was born in Visalia, California on Oct. 2nd, 1961. She entered Heaven's gates on Sept. 9th, 2020 after a short battle with pancreatic cancer. She was a beloved Child of God, Loving Wife, Mom, Grandma, Daughter, Sister, Aunt, Cousin, and Friend.

Debbie grew up and attended school in Visalia. She worked for 20 years in Visalia as the best Massage Therapist in town. She truly had healing hands and touched many lives. She met her loving husband Simon Ramos-II in Visalia, Ca. They were married in Three Rivers, CA in March of 1989.

Together they celebrated 31 beautiful years of marriage. Debbie was blessed to become a mother to three children, Megan (son-in-law Lupe), Savannah (son-in-law Robert), and Simon-III. They were full of energy as they grew and kept their mom on the run. Debbie loved her children with all of her heart and they were the center of her world. She lived a life of giving, healing, and always had a smile on her face. Debbie loved living in the moment. She loved the beach, traveling, playing at the casino, accompanying her husband to golf tournaments and was the biggest Steve Perry -Journey Fan. She also loved watching her baseball games while rooting for her SF Giants. She especially loved spending time with her grandchildren, Wesley, Gracelynn and Shelby. She was overjoyed to know a new baby grandson of hers is on the way. She

is an angel in heaven now and will be watching over all of her loved ones.

The eternal god is your refuge and underneath are the everlasting arms.

“ Once in a lifetime if you are very lucky you meet someone very special. Someone that you can truly call a friend. I was blessed to have met that special person. So thank you Debbie for being my friend. Thank you for always being there for me. Thank you for always texting me back when I just wanted to talk about nonsense. Thank you for being my casino buddy, for not getting embarrassed when I yell with excitement when you would win! She would say "you get excited enough for the both of us". Then we would laugh. That was fun. Thank you for always making me laugh. Thank you for getting me out on the dance floor just to be silly and enjoy life. Thank you for the friendship and memories that Greg and I shared with you and Simon. We had fun together. For being my Sister-friend. I will truly miss you in my life sister.

*"Until we meet again"*

*Our love and prayers go out to Simon and the family*

“ It is hard to believe that sweet Debbie has left this earth. Debbie was the sweetest person and always had a smile on her face. We have known each other all through high school and beyond. We didnt see much of each other but always knew we could reach out if needed. Especially for a massage hee hee. Debbie was so proud of her family. I am so sorry for the loss of your loved one. Debbie, I will miss you forever.

“ We first met Debbie and Simon at my brother and sister-in-law’s house ( Greg and Maria Gutierrez). Maria and Greg had spoken so highly of their friendship, so we were happy to finally get to meet them both. Afterwards, we shared many family times with Debbie and Simon, as they were both considered “ familia” to Greg and Maria. They shared a very close bond.

One hot Saturday, we piled into my brother’s van to drive to a baseball game in Fresno together. We talked, laughed, and we shared so many similarities. It was easy to see why Maria and Greg shared such a special relationship with both Debbie and Simon.

We will forever feel blessed to have known Debbie. Indeed, God is embracing her now, and sharing His pleasure In her many good works while here on Earth.

We pray that Debbie’s family and friends feel peace during these times. Debbie will be missed but never forgotten.

“ *Debbie and I declared the first time we met that we felt we had known each other for ever. I think it was her warm, welcoming nature. We had such great talks about our children and grandchildren that we shared. I know she was the loving mother to my son, when I was so far away and I thanked her for it every chance I got, yet to me it wasn't enough. So again, thank you Deb for being that wonderful influence on my son! My sadness is that our shared grandchildren will miss you in their lives, but I will remind them of your love for them every chance I get...(and yes, I agree with you, they are the most beautiful grandchildren...we are not biased in any way..LOL!) I love you Deb Ramos!*

“ *I am so sorry to learn about Deb's passing. Seeing this was a huge shock, I'm sorry I didn't know she was sick. May she rest in peace. She was my cousin who we shared first and middle names and were born only 2 months apart. I will always hear her laugh, it was the best giggly laugh ever! Love you cousin. Prayers to all her family.*
