“ Words cannot express the sadness I feel since hearing of Debbie's passing. Even as I write this, I still can't believe it's true. She was my first good friend that I meet our freshman year in high school. I have lots of great and fun memories of the times we shared. I pulled out my yearbooks last night just to see her again in the many pictures of the clubs and activities that she participated in. Debbie was a good person, level headed, smart, fun, sincere and beautiful.

To Patrick, her children, parents, brothers and the rest of the family, I am deeply sorry for your loss. May God comfort you and bring you peace during this difficult time.

“ I only have memories from long ago when we were just kids (since I no longer live in the state and have not been near her in many years) --- Watching Debbie as she was a friend of my oldest sister, I remember her sweet disposition, welcoming smiles and kindness as I sat in the background. I still remember the warmth she poured out over everyone by just being near her. Thank you Debbie for all that you were and did. Dianna (Dias) Haugen
