“ I know you are watching over us all and know the love we have for you. As this hurts so bad I know you are in a better place. Miss when Dad and I would go get Taylor hot dogs and have lunch with you or all the nights me and moni had sleep overs at your house. Me falling off the bed and many many more memories. Helping you clean house or watch Spanish sopes on tv. You have your own place in my heart and I will forever cherish that. I love you and you are my only and most wonder grandma I have. I love you and now you get to rest in peace. Never bye but will see you again in heaven. I LOVE YOU GRANDMA!!!!

Love always your granddaughter  
Sorjia.

I will still carry on to celebrate our birthday we share as OUR birthday. (((Hugs)))
