“ Dennis ! I think the last time I saw you was when I moved back to Visalia to help my grandmother out. We first met at San Jose city college and we become friends there then had a falling out.. but once I moved to Visalia we reconnected, even though we weren't tight I randomly searched for you as I did when we had our last workout at the gym in Visalia , and found out you had passed. Hurts my soul.. I pray you are at peace! And with Jesus. This is Martin.

“ I miss you my handsome friend. I miss your bright spirit. Although we lost touch as we got older, I'll never forget my first crush ;) something you often liked to remind me about haha. I hope you and Momma M are reunited.

She missed you so much. I miss you both. I felt connected to you through her and now that you're both gone it's been tough. But I hope you visit me in my dreams again. I love forever.

“ *Mona,
There are no words that express my deep feelings of Love and Loss at this time, but more importantly to say what a strong and caring Mom you are and may God wrap his arms around you and help you through this time. Dennis was definitely a bonus son in my house when he visited. His hugs and laughs were always the best. I loved the conversations we shared and his genuine empathy for others is a direct reflexion of what you taught him. You are in my prayers and I am sure Dennis is adding his glow to heaven. 🙏💕*
