“ Tammy, Tony, and family it has been many many years since I have seen you guys, but your family will always hold fond memories in my heart ❤️ ! Your summer trips to Idaho were a highlight of the summer for me. Having a Grl to hang with among all those neighborhood boys was a treat. And having a pen pal for the rest of the year was awesome. Having Dennis as a Facebook friend brought back all those fond memories from many summers ago. It was so fun to connect with him and see that he had never lost any of his spunk or humor was fun. He kept me entertained in a daily basis. I will miss him so much. Sending much love to you and your family at this difficult time.

Love,

*Richelle (Ricki) Lasley*
