“ I only knew Millard via fb through a mutual friend. He was warm and friendly, witty and free with knitting and nursing advice. I'd always hoped I'd meet him and Kerry in person someday. I'm very sad and sorry for Kerry's and the family's huge loss.

“*Mill was truly an extraordinary person. Talented in countless ways, he exceeded in everything he did. I worked with him for a few short years at the beginning of my nursing career. He helped shape me professionally & personally that has continued to impact my life to this day. I truly saw the world differently thanks to Mill's guidance, advice, mentoring and modeling. Mill will be greatly missed and live forever in my heart. My sincere condolences to his loved ones & may he rest in eternal peace.*
