“ *The first time I saw Dennis he was pulling around that big stainless steel trailer. I thought he had bought an old cheese vat from Dairyman's and turned it into a trailer! Later, I met Renee and finally got the true story behind the trailer that attracted my attention. (I was a stainless piping contractor at the time; that's what made me notice the trailer!) Dennis was a great guy that I always enjoyed visiting with. RIP, friend.*

“ First time I met Dennis was down in Bakersfield Renee and him were dating. I was seeing Greg at the time we were out on the patio watching the sunset.
