“ I was very sad to learn of your dad's passing. Dennis was a pleasure to work with throughout my real estate years with all his handyman services. A true professional and just a pleasure to be around and work with. He will definitely be missed by all.

“ David, Stacy & family
My best memory of Uncle Dennis is the time we were all in Reno (for a bowling trip probably) and when Dennis won some money gambling, he bought all of us girls real black hills gold rings. Well, I was beyond thrilled and thought he was the nicest and richest man in the world! I still have that special ring, and knowing how much Dennis was loved by his family warms my heart. We had so many fun picnics and good family times together. Our prayers are with you all, may sweet Uncle Dennis Rest In Peace.
With love,
Glynette, Melvin & family
