“ I have a multitude of wonderful memories of my precious dear friend Diane. I love her and miss her so terribly much! I miss hearing her voice saying "I luv you sis!" I miss her laugh and her hugs..Di had not only outer beauty but inner beauty as well.....she was an intelligent PHN and a credit to the Nursing field, always an advocate for patients and their families. She was always so gracious, kind, humble, generous, protective, and loyal...and had such a great sense of humor. She was a great cook and loved to feed people. She had a huge heart full of love for God and people with a big beautiful smile to match. She loved her family, and cherished her children and grandsons so very much! We would talk on the phone for hours at a time...praying for each other, reading scriptures, just listening to each other, encouraging each other, sharing stories about our family, children, grandchildren, laughing about some of the crazy things we did when we were young teen girls, or funny dreams we may have had...or falling asleep while texting each other and laughing hysterically the next day at our "jibberish"! We cried together, laughed together and enjoyed Chinese food at our fave restaurant we would always go to...we always had fun shopping and I was amazed at the way Di could buy clothes without trying them on and they always fit and always looked great on her! She was very eloquent in both speaking and writing and had beautiful penmanship.

*I treasure all these memories of her, and so many more. I will always carry them in my heart and thoughts. I was blessed to have her in my life and am thankful to God for our friendship we had. I love you Di and I know you are safe in the arms of our Lord and Savior Jesus, in our Heavenly home.*

*I extend my heartfelt sorrow to her children, grandchildren, and all her family for the loss of Diane....she was a blessing from God and loved by so many....and is missed so much.....you are all in my prayers for comfort, strength and the peace of God as you grieve for her...*

“ I will never forget "bumping into" Diane(a co-worker of mine) at Walmart one day. She had her grandbabies in her cart and was all smiles.. I just KNEW we had this in common.. she was all about family. She was a very strong advocate for our kids at CCS.. the kids came FIRST. She will be greatly missed. My heartfelt sympathy to all the family!

“ Working with Diane in Nursing was never a dull moment and I could always count on her to speak her mind and she always had a smile for me. At a very difficult time for me she saw to it that I could return to work, the best therapy ever. Her vitality never seemed to dim and her enthusiasm for her patients never flagged. So full of life!!

*To my sweet, funny friend and great work pal. We had a lot of fun together and I will miss your bugging me to clean up your filing and always messing up my hair. We shared good food together and a lot of laughs. I really miss your joking around and warped sense of humor. I will think of you every day and miss you. We'll hug again some day. Until then, fly high Diane.*
