

Don Anthony Lopez

August 5, 1967 - June 8, 2021

Don was born on August 5, 1967 to Rudy Lopez Sr. and Dianna Edwards. After his three year Battle with cancer, Don passed away on June 8, 2021.

Don attended Tulare Western High School for a brief time, then moved to Oroville California in 1984. He graduated high school from Las Plumas High School in 1985. After high school Don returned to Tulare to work, most recently he was employed by Sonoco Products in Exeter, California as a fork lift driver.

Don was married for a brief time and helped raise two children, Brandon and Kimberly. He also had three grand children Cameron, Prince Ali, and Princess.

Don loved music, attending over 800 concerts in his lifetime and somehow managing to get back stage passes to meet and hang with band members.

Meeting new people was exciting and fun. His family was of the utmost importance to him. He always made his rounds visiting those he loved and cared about. He extended his love to his friends as well, for those reasons we referred to him as our social butterfly.

Although there are too many friends to mention, Don always spoke highly of Phillip Young and his family. Don appreciated the times he was embraced like

a family member and included in Holiday family meals.

Don is survived by his mother Diana Edwards and Stepfather Steve, his siblings Rudy Lopez (Michelle), Justin Lopez (Nancy), Justina Hernandez (Ken), Dina Da Silva (Luis) and step-brother Stevie Edwards.

Don will also be missed by many nieces and nephews, his Aunties Judy Joseph and Shirley Juarez.

Don will be missed greatly but all take comfort knowing he is no longer in pain and resting in heaven.
