“ Dear Betty and Family,
Peggy and I were very sorry to hear about Don's passing. He was a great friend to Peggy and I. We had a great time bowling with you and Don. We know Don is in Heaven teaching all the angels how to roll that perfect strike ball. We send you and your family all of our thoughts and prayers. Sincerely, Claude and Peggy Gilreath

“ Betty and Darryl, my heart is heavy hearing of the passing of Don. All of you have been my neighbor for most of my life, so it truly is like losing a close family member.
You are in my thoughts and prayers.
Love to you, Milli Hampton

“ I have a very sweet memory of "Uncle Don". When Jamie, Wendy, Holly, me and my 2 sisters, were little girls, we would dress up and have pretend weddings. Don would play "The Wedding March" on his harmonica and officiate! I remember that time, out in that little house in the country and it brings a smile to my face.
I am so sorry to hear he has passed. Please know you all are in my thoughts and prayers.

Your cousin,
Corbi
