“ Our condolences to the family of Donald Sayer, I will always remember my cousin Donald and his family. From the first time I ate fried frog legs to the time he helped me into the North Central Fire District. The enjoyment of visiting with him when he was living in LaPine Oregon, and building his log home. He will be missed greatly.

“ Our condolences to the family of Donald Sayer. As cousins, we remember times together on the farms near Fresno. Uncle Dale was a great person. Now our generation is carrying on as best we can. Several cousins named "Donald" remain. Peace and blessings to this family. Don Bigelow
