

Donna J. Lokey

April 19, 1954 - July 10, 2017

Donna Jean Lokey (Pershica) passed away peacefully at home on Monday July 10, 2017 surrounded by her family and friends. Donna or DJ, as she was known by many, was born on April 19, 1954 in Tulare, CA. She grew up in Ivanhoe, CA. She met her best friend Neta in elementary school, they became lifelong friends. She always said that she must of been in every house in that town. She was always visiting friends and making new ones.

She worked in the propane industry for 15 years. She had a passion for life and lived it to the fullest. She married the love of her life, Randy on Feb. 14, 1987. They just celebrated their 30th anniversary. They had a wonderful adventure in their lives together. She loved the outdoors whether camping, jet skiing, cruising the lake, or just walking on the beach. She was on of the best female horseshoe pitchers in the area. One of her greatest loves was riding her motorcycle. It was candy orange and it sparkled in the sun just like her. She was a member of the Chariots of Light Christian motorcycle group. She made many friends that she kept for life. West Coast Believers Center was her church family. The biggest part of her life revolved around her family. Her grandkids were her heart. Grandma DJ constantly took them on trips and created so many memories, she was the most giving person in the world. She was always trying to help people and bless them with whatever she could. She had an incredible bond with her dog Nicky, he never left her side throughout her illness.

She is survived by her father Haskell, husband Randy, daughter Amber

(Tommy), grandsons, Bailey (Michael), Dylan, and Cooper, brother Don (Mary), sisters Fredda (Dennis), Becky (Bill). She had a special relationship with her nieces and nephew Sean, Shannon, and Lisa. She was preceded in death by her mother Audra. She was blessed by so many friends who loved her. We want to give a special thanks to Benny and Alice Martinez. All of your love and support helped us keep going. Services will be private, condolences may be sent to salserandillard.com. Memorial donations in memory of Donna can be made to the American Cancer Society.

“ Mine and Lisa's wedding was just a blur. So much happening at once. But it's where I first remember meeting aunt Donna. Those were some of the best hugs I've ever received and a great way to be accepted into the family. I'm gonna miss those hugs.
