“ *Hey Uncle Dennis. I am sorry to here about the loss of your Mother/my grandmother. It has been a long time since we have connected, and one thing that always sticks out in my memories of Donna is how kind she always was. Sometimes people wish they could reverse time and change things. In my case it would have been great to have been able to spend more time with both your mom (Donna) and my mom (Linda) before they had passed. It would be great if we could reconnect, even if we are a couple states apart. Hang in there uncle!*

“ My family was living in same housing area when Donna was married to Don Worthington. Her daughter Linda and i became the best of friends..for life. When i wasn't at Linda's house, she was at mine. They were my 2nd family. I will never forget playing record albums of The Beatles, sleep overs, playing games, etc. Words cannot express the deep sorrow i had when Linda died, and now her mom. Dennis, you and your family are loved, i treasure all the memories i have beacuse they were amazing times growing up for me. I love you Donna and am so thankful you treated me as a daughter.

“ Donna and Richard were my second mom and dad. Working at Jostens was always so much fun with these two. So many precious memories. They are both missed so very much.
