October 20, 1944 - July 11, 2015

Doris Janette Louderback passed away peacefully on Saturday, July 11 in Visalia California after a brief battle with cancer.

Born October 20th, 1944, in Ventura California, Doris lived most of her life in California other than a five year residency in Florida. Doris was employed in several secretarial roles during her working years and proudly served as the personal secretary to the Chief of Police of Martinez California, a position she dearly loved.

Doris loved life and had a wonderful spirit of adventure. She loved to travel and together with her beloved husband of 48 years, enjoyed 33 cruises and many other wonderful trips. Doris loved to shop, especially at cruise destinations and had a great ability to build an impressive collection of purses, bags, and luggage. She also loved to read and earlier in life was quite an accomplished bowler, participating in many fun leagues.

Doris loved people and loved to talk. If she met a stranger, they weren't a stranger for long, as Doris had a great ability to visit with just about anyone. She loved her family and was so proud of her husband Rick and her children and grandchildren. She loved her role as "Grammie" and loved being a part of her family's life. She also loved animals and had a real gift of compassion for all animals and her pets held a very special place in her heart.

Doris was indeed a special woman who touched lives of so many people and will be greatly missed by those who were fortunate to have known and loved her.

Doris is survived by her husband Richard, her daughter and son in law, Debi and Don Goforth from Visalia Ca., and her son and daughter in law Ron and Barbara Louderback from Antioch Ca..
