“ *Joyce, Marsha, Eric, Lisa, and Family,*

It must be hard to say good-bye to your Mother, who has meant so much, however just remember that all of your mother's best qualities live on in you, yours to treasure and share through all the years to come. She has been missed for quite sometime now as Mom and Dad's neighbor, she was the best. My girls will always remember her for giving them licorice every time they saw her. Your Mom was very sweet.
