“ I met Sharon my first year at COS. I walked into the Student Union and saw a cute little strawberry blonde sitting with a couple of my friends. Steve Lieb introduced her to me. (Sharon always got the best looking guys!) Little did I know that one of those best looking guys would be my brother and she would become my sister-in-law and mother to my nieces and nephew. She and Logan would have two beautiful daughters, Christy and Cindy, and one gorgeous son, John (a spitting image of his dad!)
She was a good cook, something she seems to have handed down to Christy and Cindy. She loved cats (I've never know her to be without a cat or two!), she was a talented artist. But most of all, she was a loving and devoted mother, always putting her children first in her life. She was loved deeply by all three of them. Now she is safe in the arms of Jesus, our savior, without pain and reunited with her parents and brothers. I can just imagine the beautiful things she is painting in Heaven!

“ Sharon was the best mother in law a guy could ever hope for. She welcomed me in to her family, treated me like one of her own, and was always there for us when we needed help. I will miss the Christmas gatherings at her home with family and all of the amazing food. We are lucky enough to have a few of her paintings in our home and will always cherish them along with the many beautiful memories she gave us. She was the best and I will miss her dearly.
