“ Dear Walt, Al, Judy and families,

We were saddened to learn of Aunt Dot's passing. What an amazing, loving, caring and giving lady. And what a rich full life she had despite the many hardships she endured over the years-- certain testimony to her will, desire and always positive and cheery outlook. We know you will miss her greatly--may the many fond memories of her as your mother, friend and confidant give you comfort. Find comfort too in knowing she is now reunited with Uncle Charles in one of the many mansions God has prepared for them. We will miss her too though we have been separated by many miles over many years. She will forever occupy a special place in our hearts.

With deepest sympathy,

Bob, Carole & Dawn, San Antonio, TX
