

Douglas Drummond

January 3, 1962 - May 14, 2024

Douglas Drummond, 62 of Armona, California, died on May 14, 2024, in Hanford, California. Doug was born to Raymond Joseph Drummond and Dorothy Helen Reynolds on January 3, 1962 in Hanford, California.

Doug grew up in Hanford, CA and graduated from Hanford High School. Despite challenges associated with a diving accident at age 23, Doug went to work and was an inspiration to those he met throughout his life. Doug was the smiling face that would greet Navy sailors, Marines and their families at the Fleet & Family Support Center aboard Naval Air Station Lemoore for almost 20 years. Doug was known for his work ethic, quick wit, intelligence, sense of humor and loyalty. He typically could make people laugh and become at ease quickly. His personality was infectious, people liked being around him.

Doug loved fast cars, music, going shooting and good down home cooking. He rarely backed down from a challenge; he drag raced his Buick Grand National at Famoso Raceway, hot air ballooned and snowmobiled in Colorado and went fishing in Minnesota. He was also known for his generosity by those in his neighborhood, he would help those important to him in any way he could. Doug was a friend and confidant to many; his memory will live on in the many lives he affected.

He is survived by his two siblings, Michael Drummond and Lori Bisbee; niece

Melody (Steven) Lee of Kingsburg, CA; nephew, Derek Drummond of Hanford, CA; great-nieces Tristin Webb, Skyler Lee, Shealynn Lee and Taylee Webb; great-nephews Drake Drummond and Evan Lee; step-mother Sandra Drummond of Tustin, CA; aunt Carol Berryman (Dennis) of Laguna Beach, CA and Denise Drummond of Hanford, CA; cousins Erin (Eric Brougher) Berryman their two children Olivia and Luke, Mark (Chris McFall) Berryman of New York City, NY.

Doug will truly be missed by all.

“ Michael Drummond , Doug and I were not always on the best of terms. I liked to say not always on the same page like a lot of other family's I'm sure. Yea we use to butt heads once in a while. He was always more business oriented,layed back, consistent,steady, people friendly.Where I was a little more unpredictable, flamboyant,cocky,a musician,spontaneous,temper. Now I've outgrone a lot of these bad habits luckily. So we kinda stayed seperated in the last few years. But let someone else try to do injustice or cause harm negativity ECT. Oh it was on. Cuz we loved each other is why. I'll have a chance to mess with him when I see him again in case he's feeling a little home sick. Not gonna say good bye because I will see him again I'm sure. So till we meet again bro.
So Love You Duggy.
