“ *Ryan, You have moved-in with our ancestors back to the beginning with all knowledge at the design of creation. The place where rejoicing and Love abounds; where pain and sorrow are not allowed. Here on Earth we will miss you greatly; your love, your smile, your straight talk slap, your laughter, your counsel. You have taught our family so much over the last 35 years. You were everything My G-ma said. You were our, "Earth's Magic!" Give My G-Ma and your Grandma-Leetah a high-five for me and the boys. Give hugs to Mom, your grandma Liz (Please don't tell on me). Drop by every now and then and give your Uncle Bryan a, "Stinker Slap!"*

I LOVE YOU! and will miss your physical presence.
