“ I remember when the kids were young we went camping in Morrow Bay with the Jordan family.
Surf said we have a tent for u guys we will stay in our trailer. So off we go to the coast, at our arrival we determined that Surf left the tent poles at home in the garage. Perfect example of God turning it for our good. So we all stayed in the trailer that weekend and had a blast. Will always have fond memories of Surf and love for the whole family.
Praying for God's peace and comfort for the Jordan family as they learn to carry on without Surf. Love
Karen Luisi and Louie from heaven above ❤️
