

Edward Earl Dickey, Jr.

January 18, 1952 - September 27, 2023

Edward Earl Dickey Jr., of Visalia, California, died on September 27th, 2023, in Visalia, California. He is survived by his siblings, nieces, and nephews. Edward was born to Robin Ethel Dickey and Edward Earl Dickey Sr. on January 18, 1952 in Waterbury, Connecticut.

Edward served his country honorably with The United States Air Force and the Selective Service, beginning on November 9, 1970. The occupation he enjoyed most after his honorable discharge was being a cook near and in the National Parks, because it allowed him the freedom to go hiking those areas, and further away on his days off. Two of his favorite hiking places were Clough Cave and Crystal Cave. During the last decades of his life he spent most of his time rescuing stray animals, and volunteering for organizations that dedicate their time to finding forever homes for stray animals.

He is remembered in his neighborhood as the neighbor who always helps. Whether you needed help getting to an appointment or groceries, you just needed a little food for your dog, or help fixing something that broke around your home, Ed was there to help. He would be there at the drop of a hat for his family as well, he was always helping with whatever was asked of him and taking initiative where he could see a need. He enjoyed researching in depth his favorite topics, or any topic for a loved one. He was a lifelong learner.
