*I met Liz at Visalia Medical Clinic where we both worked in the 80's. We became good friends immediately. She was an excellent receptionist! She was dependable, organized, compassionate and hard worker. She had a great sense of humor and was always in a happy mood. She worked, went to school, kept her home immaculate and very involved with her children. She loved her grandkids and Rueben very much. I have a lot of good memories of working together at VMC and will cherish them forever. Heaven had gained an Angel! Love you my friend
