

Elsie Rojas Molina

July 22, 1931 - July 16, 2023

Elsie Rojas Molina, left us to be with the Lord at her home on July 16, 2023. She was 91 years old, 6 days shy of her 92nd birthday.

She is survived by daughter Sandra Dutra and her husband Duane and her nephew whom she raised, Eddie Sierra, wife Amelia. She had five grandchildren, Danielle Dutra (Henry), Andrea Augusto (Daniel), Eric Dutra (Kim), Randy Dutra, Devra Clement (Darlo). 14 great grandchildren.

Elsie was born on July 22, 1931 in Cheyenne, Wyoming to her parents Jose and Juanita Rojas. She was 1 of their 5 children. She met her husband Manuel at a dance in Tulare, a story she often liked to tell. They were married first in Las Vegas and later at church back home, they loved each other for nearly 60 years. In 1957 they had their one and only daughter Sandra. Elsie worked for many years at Snowden School at the preschool, many remember her as Miss Elsie. After retirement she moved to Hanford to be closer to her daughter and granddaughters, Danielle and Andrea. She often was the one to pick up Andrea from school and they have many stories that happened once grandma was in charge! If you were to ask Elsie, her fondest memories would probably be spending time with her great grandchildren whom she adored. Danielle, Dylan, and Buzz lived with their grandma and she spent every moment she could with them, playing jokes and dancing with the boys was her favorite. When the woman who spent so much time taking care of us

needed extra taking care of, she moved in with Sandra and Duane so that someone could always be with her. She was cared for and surrounded by her family until her last breath.

“ *To Sandra and Family,
I am so sorry to hear about your mom's passing. We are out of town and unable to attend her service. Your mom always looked lovely and always had the sweetest smile. Elsie was very proud of her daughter Sandra. Over the years we lost contact but will always remember her kindness. God bless to her family. Norma Molina Garcia*

“ To my beloved Aunt Elise:

My memories of you will always remain in my heart being my aunt and godmother. During my lifetime from being very young to adulthood, I will always remember the visits, the love, the time, the laughter, and the fun I had with you, Uncle Manuel , and my best cousin Sandra. Thank you for these times.

My heart broke twice during the last few months. You now join my beloved Daddy (Joe), who we lost in May. You also join uncle Manuel, Nana, Tata, uncles Andy and Al, Aunt Hope and all the other Rojas family we have lost along the way. What a party that must be being together again in heaven. I know God has embraced all of you.

*It comforts me to know there is no more pain for you
You were loved by so many people, friends, and family. I know I will see you all again, one day. I miss you all. May you rest in peace.*

To Sandra, Duane, Danielle, Andrea, Eddie and family, my heart goes out to you guys. I know she loved you all and meant everything to her. I know and saw the love you also gave to her all her years of her life. I love you all and may God bless you guys always.

*Love you,
Your cousin, Vicki Rojas*
